dock SQUARE

- Stand alone or connected by easy to use, hidden ganging clamps, Dock's versatile seating units create unique collaborative spaces.
- 18"x18" • 24"x24" • 30"x30" square sizes. Custom sizes available.
- 18" Height or 15" Mini (for child-centered spaces)
- 400lb weight capacity. 30" Square is 800lb weight capacity.
- Comfortable high-density foam with upholstered seat top and foam wrapped sides.
- Built to last: reinforced seat top with durable wood frame and inner supports that won't break down or sag over time.
- Customize your Dock Square or Mini: consider square or round legs. Choose black, chrome, or silver metallic legs. Add matching support arm.
- Add matching Swing Away, high pressure laminate, 18" round, table top arm to add functional work surface on either or both sides.
- Update your table with 8 standard Wilsonart® or Custom laminate finishes. Add an upholstery combination – the options are endless to create your unique Dock!
- Plug in and connect! Up to 3 Optional power ports may be added to any dock, each with 2 USB plugs and 1 standard electrical outlet that can be all placed on one single power cable.

dock SQUARE

When ordering you must specify:
1) Complete model #
2) Leg shape and finish
3) Upholstery and color choice name

Then you may add additional option codes.

Please note:
- When ordering a swing away table top with support arm, a table top finish must also be specified to complete the order.

- Each Dock is custom made by craftsman who can place your power port in any area. Standard left right and center placement will be in the middle of those locations. If you would like to specify exactly where the port(s) is/are placed, please add a comment to the order.
