

The Infinity® Upholstery 10-Year Warranty

Each Interface Fabrics Group company (the “Manufacturer”) warrants for a period of ten (10) years from the date of invoice that its Infinity seating fabric products will not suffer “wear through” in normal indoor seating use by the original seating purchaser. “Wear through” means a hole caused by disintegration of the fabric’s structure in a particular area as a result of abrasive wear. The Manufacturer also warrants for a period of ten (10) years from the date of invoice that its Infinity seating fabric products will not suffer excessive color loss (i.e., no worse than step 4 on the Gray Scale for Color Change) in normal indoor seating use by the original seating purchaser. Should a failure to conform to this warranty appear in the fabric product during the 10-year warranty period, the Manufacturer will repair or (at its option) replace the affected fabric at its expense, including labor and materials, subject to its receipt of prompt written notice during the warranty period.

This warranty does not cover damage, disintegration or loss arising from abuse, misuse, vandalism, burns, cuts, punctures, improper installation or maintenance, use of improper cleaning agents, application of a treatment or finish after shipment by the Manufacturer, defects in design or manufacture of seating, inadequate padding, abrasion from other seating components or furniture, use in any application other than normal indoor seating or use subsequent to ownership by the original seating purchaser.

Except as expressly provided herein above, the Manufacturer makes no representations or warranties, express or implied, including, without limitation, any warranty of merchant ability or fitness of its products for any particular purpose, and hereby disclaims the same. The remedies set forth herein are exclusive. Liability of the Manufacturer is limited to the actual repair of defective fabric and does not include incidental or consequential damages.

Infinity is a registered trademark of Interface Fabrics Group.
