

# NEW T5 Arm

5-Way Adjustable Arm with Polished Aluminum Accent

**Height Adjustment:**  
Activated by a side button located under the arm pad. Features 3 1/8" vertical travel to help relieve upper back and shoulder fatigue.

**Width Adjustment:**  
Infinite locking 2" horizontal arm adjustment. Customize arm support for Every Body.

**Arm Swing:**  
Arm pad pivots inward 20° or outward 20°. Provides the user with more natural forearm support and motion common to various tasks such as keying and mousing.

**Forward Movement:**  
Arm pad moves 1.57" forward and 1.57" backward. Friction-activated adjustment, allows the user to get closer to their work surface while maintaining effective use of the backrest.

**Side Movement:**  
Arm pad moves inward or outward (approximately 9/16"). Allows for arm width comfort.
